

General Information

1. What is the General Ability Test or GAT (Year 3 admission)?

The GAT is a standardized assessment of an applicant's general reasoning ability, and it measures observation skills, problem solving ability as well as learning capacity. The GAT provides an objective measure that is free of language and cultural bias. All the information needed to respond to each question is presented within the test item itself. Clear instructions will be given to ensure that applicants understand how to attempt the test.

2. How can applicants prepare for the GAT (Year 3 Admission)?

There is no need for applicants to prepare specifically for the GAT (Year 3 Admission). All the information needed to respond to each test item is presented within the test item itself, and clear instructions will be given to ensure that applicants understand how to attempt the test. General good practices such as having a good rest the night before the test and having a light meal before the test to ensure a relatively relaxed but alert frame of mind would suffice.

3. What is the duration of GAT (Year 3 Admission)?

Including the briefing and instructions, the duration of entire test is 1 hour.

4. Do applicants have to take another test beside GAT (Year 3 Admission)?

Beside GAT (Year 3 Admission), applicants may be required to take other test(s)/trials depending on the individual school's admission requirements.
